

A World of Boating

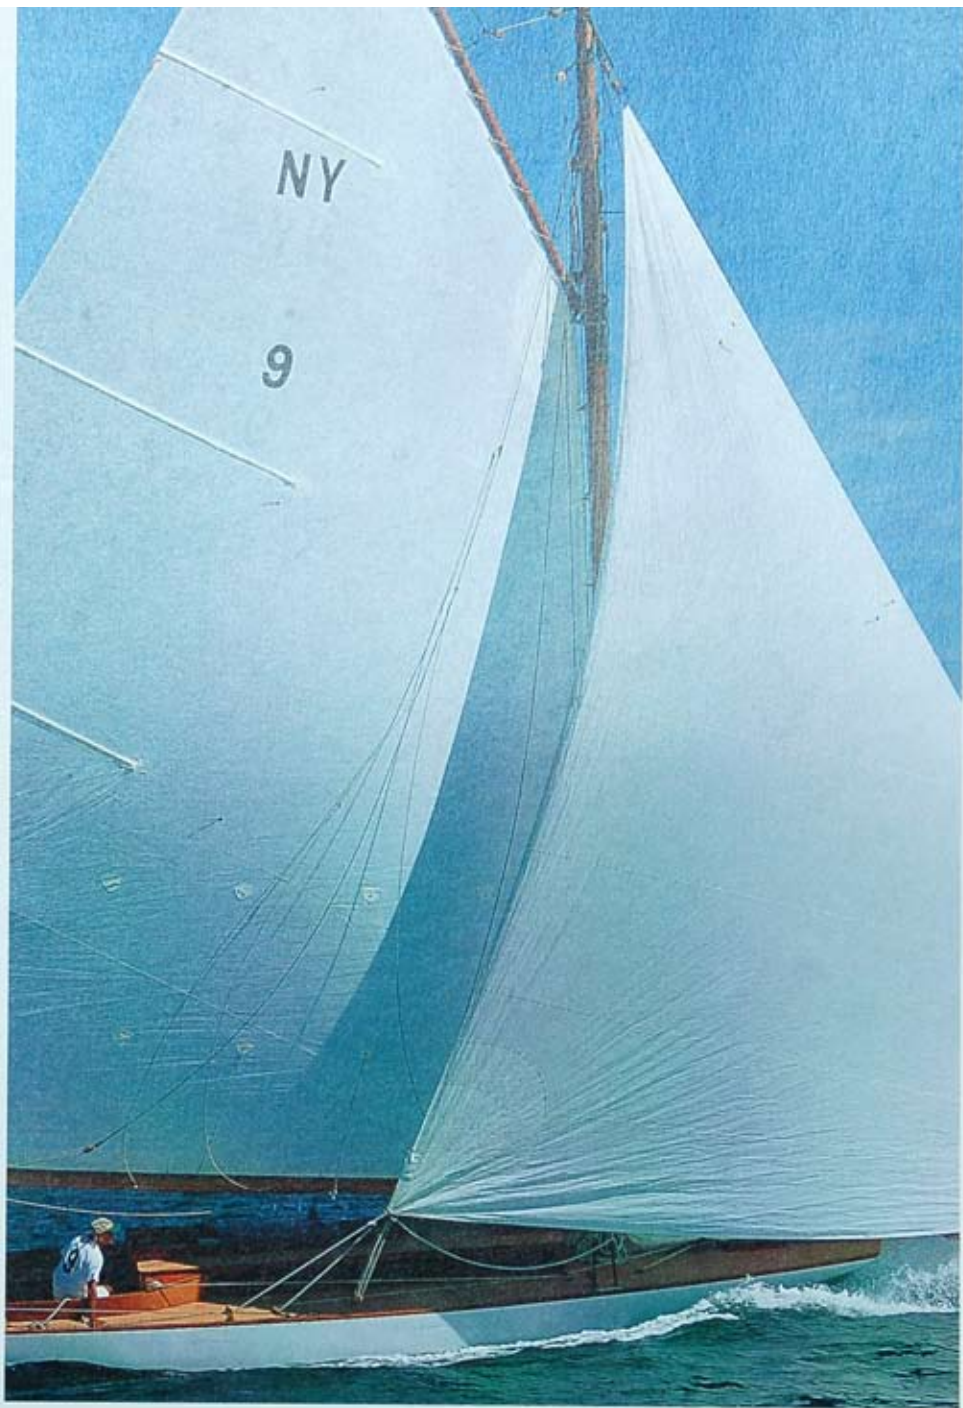

PHOTOGRAPHY BY ONNE VAN DER WAL · DESK CALENDAR 2002

Amorita, a Herreshoff New York 30, races away from an approaching squall during the Classic Yacht Regatta, hosted by Newport's Museum of Yachting.

*The genoa trimmer
aboard the New York 30
Amorita does quite a
nice job managing that
monstrous headsail.
He has two sheets on
the clew for perfect trim.*

Members of the Museum of Yachting's Classic Yacht Regatta race committee look down the starting line as the racing fleet approaches. The incoming fog bank won't stop these sailors, who welcome the breeze and lack of rain—at least for now.
