Dear Bill,

I'm sorry I did not get a letter out to you sooner. I was immersed in the pre-start issues of the Transatlantic Challenge that had a successful start last Sunday.

Your NY-30 Club Night was spectacular and I know that both you and Jed Pearsall put a great deal of effort into this presentation. I am looking forward to enjoying the festivities of the 100th anniversary sailing regatta this summer.

Sincerely,

George R. Hinman
